CLUB CORNER

The Governor's Executive Order GA-34 recently changed the state's restrictions related to COVID-19. Texas A&M AgriLife, in line with other members of The Texas A&M University System, is maintaining our current protocols of wearing a mask and social distancing.

We ask that all club leaders and members follow county protocol, wear a mask, social distance and fill out a COVID-19 screening form at all club meetings.

WEAR YOUR MASK

Masks and safe social distancing are
still required at all 4-H events!

Shotgun

Texas 4-H Shooting sports number one priority is safety. In order to help manage the risk within the shooting sports program a certified coach must be present at all club or county practices. With that being mentioned, we cannot have club or county shotgun practices, at this time. There is not a certified shotgun coach in Potter County. However, if your children want to participate and you have access to a range, you can practice as a family unit. The district contest is June 25, and registration closes on June 14th. This will include trap and skeet.

If you are interested in becoming a coach for any discipline contact Cari for more information

TEXAS 4-H WANTS TO SHARE

Your 4-H Story

RFDTV, The Cowboy Channel, and other media platforms will feature the stories of Texas 4-H Members and Former Members.

Entries can be about groups or individuals in any aspect of the 4-H Program, not just livestock.

**Email Cari to share
your story!**

It's no secret that EVERY 4-H'er has a story; a story unique to *them*. We think it's time more of those stories get told! Doing this can bring our youth together, encourage each other, and invite new members into the program. Stories of participating, learning, excelling, helping, serving; the list goes on!

We are excited about the opportunity to share these stories in various avenues, one of those being RFDTV and The Cowboy Channel! But, before we can re-tell that story, we need to hear about it! These stories can be about groups or individuals in any aspect of 4-H, not just livestock. The options are truly endless!

The Career Opportunities Reflecting Excellence Academy is a 4-day exploration program for youth to experience higher education and career choices. This program will provide youth an opportunity to explore career and leadership opportunities in a diverse global economy as well as learn about post-secondary degree institutions across Texas. Our goal is to provide youth a connection to meet academic personnel that will help guide their career choices; meet with industry and business professionals to expose them to a variety of career paths in the areas of Hospitality and Tourism, Business and International Relations, Law Enforcement, Foods and Nutrition, Research Programs, Wildlife Photography and Corporate Careers.

If you need any type of accommodation to participate in this program or have questions about the physical access provided, please contact Shea Nebgen CEA-FCH at 830-997-3452 at the Gillespie County Extension Office by May 1st, 2021
